

# Certified Merchant Application

Complete all lines and mail it along with a brochure or photo(s) of your product line.  
Please do not send product samples.

If you wish to expedite your application with us, you may send the application along with your brochure / photos via email by completing the following steps:

1. Email us at **merchants@johareez.com** to request this application in MS Excel file format. Completely fill in all the required information on this application.
2. Upon receiving the file, complete all the required fields and save the file onto your disk drive in the following format **(johareezcmpapplication\_(yourcompanyname).xls**
3. If you are wanting to send us a brochure, please have it prepared in PDF file format.
4. If you are simply wanting to email us photos, you may do so by providing images in GIF/JPG file formats only.  
\* We require between 10 to 15 images of various product types you wish to introduce on Johareez.com
5. Put the application file which you saved + all other necessary attachments (images/ PDF brochure) into a compressed .ZIP folder and email it to **merchants@johareez.com**
